The infographic features a central illustration of a hand holding a globe. Surrounding the globe are four clouds, each containing an icon and a text box. The top-left cloud has a gear icon, the top-right has a leaf icon, the bottom-left has a biohazard icon, and the bottom-right has a factory icon. Each cloud contains text in both English and Spanish.

Top-Left Cloud (Gear Icon):
 English: Large quantities of waste, associated with affluence and the use of disposable products, are responsible for the accumulation of waste in landfills and the generation of greenhouse gases.
 Spanish: Grandes cantidades de residuos, asociados a la afluencia y el uso de productos desechables, son responsables del acúmulo de residuos en vertederos y la generación de gases de efecto invernadero.

Top-Right Cloud (Leaf Icon):
 English: Large quantities of waste, associated with affluence and the use of disposable products, are responsible for the accumulation of waste in landfills and the generation of greenhouse gases.
 Spanish: Grandes cantidades de residuos, asociados a la afluencia y el uso de productos desechables, son responsables del acúmulo de residuos en vertederos y la generación de gases de efecto invernadero.

Bottom-Left Cloud (Biohazard Icon):
 English: Large quantities of waste, associated with affluence and the use of disposable products, are responsible for the accumulation of waste in landfills and the generation of greenhouse gases.
 Spanish: Grandes cantidades de residuos, asociados a la afluencia y el uso de productos desechables, son responsables del acúmulo de residuos en vertederos y la generación de gases de efecto invernadero.

Bottom-Right Cloud (Factory Icon):
 English: Large quantities of waste, associated with affluence and the use of disposable products, are responsible for the accumulation of waste in landfills and the generation of greenhouse gases.
 Spanish: Grandes cantidades de residuos, asociados a la afluencia y el uso de productos desechables, son responsables del acúmulo de residuos en vertederos y la generación de gases de efecto invernadero.
